

IN THE UNITED STATES COURT FOR THE DISTRICT OF UTAH  
CENTRAL DIVISION

UNITED STATES OF AMERICA,  Plaintiff,    vs.   JUAN ARELLANO-ANDRADE,  Defendant.	MEMORANDUM DECISION AND ORDER DENYING WITHOUT PREJUDICE MOTION FOR TIME REDUCTION BY AN INMATE IN FEDERAL CUSTODY   Case No. 2:11-CR-549 TS
--	--

This matter is before the Court on Defendant's Motion for Time Reduction by an Inmate in Federal Custody.

Defendant was sentenced by this Court to 51 months imprisonment on September 6, 2011. In his Motion, Defendant requests a sentence reduction based on his exclusion from various community-based and drug-treatment services due to his status as a deportable alien. Courts considering such claims have found that they challenge the execution of the sentence and

should be brought as a petition under 28 U.S.C. § 2241.<sup>1</sup> A petition under § 2241 must be brought in the district in which Defendant is incarcerated. Since Petitioner is not incarcerated in this district, the Court is without jurisdiction to consider this claim.

It is therefore

ORDERED that Defendant's Motion for Time Reduction by an Inmate in Federal Custody (Docket No. 19) is DENIED WITHOUT PREJUDICE to it being brought as a § 2241 petition in the district in which Defendant is incarcerated.

DATED February 22, 2012.

BY THE COURT:

  
\_\_\_\_\_  
TED STEWART  
United States District Judge

---

<sup>1</sup>See *United States v. Acevedo*, 7 F.App'x 850, 851 n.2 (10th Cir. 2001) (Defendant's "equal protection challenge to the differential treatment he receives as a deportable alien in the federal prison system is not properly brought under § 2255, but should have been filed under 28 U.S.C. § 2241, because it concerns the execution, rather than the imposition, of his sentence.").
